## **From the Pastor's Desk:**

On a recent trip to San Diego, Joyce and I visited the San Diego Zoo. After first recovering from the almost \$90.00 entrance fee for two, we took the double decker bus tour of the 100-acre park, and then hustled over to the Giant Panda exhibit. Only four zoos in the U.S. have giant pandas, all on loan from the Chinese government. For a hefty fee to China, the zoos get to study the critically endangered species up close. (I believe the Washington D.C. zoo once payed ten million dollars for two pandas on a ten-year loan agreement.) At the same time, the pandas make for highly popular attractions.

We were lucky. That day the zoo's young panda, Xiao Liwu, whose name means 'little gift', was alert and active. Early on a cool overcast day, he was sitting near the front of his enclosure, eating his bamboo breakfast. A docent was sitting near the exhibit, providing a running commentary on the panda's history, habits, and life story. The docent mentioned that very soon, Xiao Liwu will be returned to China, even though he was born in the San Diego Zoo, as per the agreement with China. There he will play his part in repopulating his endangered species in their native habitat, where fewer than 1,600 giant pandas may still exist in the wild.

I was thinking about that arrangement long after my zoo visit. As difficult as this parting might be, the loan of the pandas to the zoo was not a thing the zoo could keep only for themselves, not for the zoo's benefit alone. Xiao Liwu was passing through his time in San Diego, on his way to serving a greater purpose, the preservation of his species.

As we enter this great season of giving, when we hear of the needs of our neighbors, our next step is deciding, how do we respond? Do we try and keep all the gifts God has bestowed upon us only for ourselves, or do we allow God's blessings to flow *through us*, so that God's love may be spread to touch and heal and give hope, to our neighbor's in their need? Where in our lives might we discover the 'little gift' that God has given us, intended for sharing, for **God's** greater purpose?

## NURSERY

Located in Heritage Hall, our nursery is a fresh clean space with age appropriate toys and furnishings for newborns through children in the second grade. It's a wonderful way for your children to begin friendships with kids they'll know for many years.

We are always interested in having more volunteers. The more we have, the fewer times during the year you would be on the schedule. If you would like to volunteer to help in the Nursery, contact Rae Lynne Meyer here at church or e-mail:

**CHRISTMAS FUND**

Our joy at Christmas is a response to God's promise of new life through the birth of Jesus. It is a joy we are called to share widely, through our witness and gifts, both to loved ones and to distant neighbors.

*"It wasn't easy picking up the telephone to share with you my present situation. In fact it was one of the most humiliating experiences of my life although it reminded me that grace still happens. Sometimes we as clergy persons lose sight of God's grace when the negative stuff comes into our lives."*

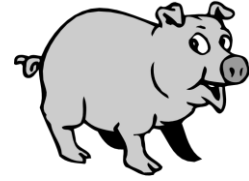

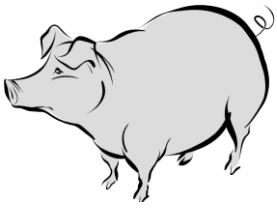

*"...thanks so much for sharing your time and ministry with me. Your most gracious gift is appreciated more than words can say as I continue to live in the 'meantime.'"*

These eloquent words are from a pastor who is the recipient of the caring and concern of those who contribute to the Christmas Fund Offering.

You have the opportunity to be a part of this ministry that cares for the active and retired clergy and lay employees of the United Church of Christ through your participation in this year's Christmas Fund Offering.

Your gift to the Christmas Fund will not only assist pastors like the one above, but also provide for the Supplementation of Small Annuities, Supplementation of Health Premiums, Emergency Grants, and provide Christmas "Thank You" Gift Checks in December to low-income retirees.

Your gifts are needed more than ever to help the growing number of retirees whose low-income annuities make it difficult to meet increasing living costs. This is your opportunity to participate in God's promise to enable this ministry of compassion and care.
